Revolution Powerlifting Syndicate Divisions

Pro: Anyone who has totalled or has single lifts that qualify for **Professional (Pro)** must enter this division unless they wish to enter **Elite** which requires a lifter paid urinalysis. Professional can be entered by everyone but teens regardless of what their lift numbers are. There is no drug testing in this division.

Amateur (AM): This division is a drug-free division. Any lifter under suspicion of drug use will be required to undergo a urinalysis test (SPORTS I EXPANDED). If the test results are negative, the meet director will absorb the cost of the drug test. If the test results are positive, the lifter will be responsible for all expenses associated with the drug test, and their lifts for the competition will be disqualified. A lifter testing positive will be required to lift as a Professional forthwith.

If the lifter enters **AM** and achieves a **Pro** qualifying lift, the lifter will either automatically be transferred to the Pro Division in the same meet (same weight class and sub-division), or have the option to pay for the urinalysis required to attain **Elite** status.

Elite: Those whose lifts qualify as **Pro** yet want to provide proof that they are not using any performance enhancements on the tested list. Elite lifts are only available in the Open division and will be scored in competition with the Pros.

Police/Fire: This division is reserved for individuals who serve the community as Police Officers, Correction Officers or Firefighters, civilly employed or volunteer. The age divisions are limited to Open and Master 50+.

Armed Forces: This division is reserved for individuals who serve(d) their country in a branch of the armed forces. The age divisions are limited to Open and Master 50+.

Crossfit: This division is reserved for individuals who are new to powerlifting and have entered a competition through the encouragement of crossfit. It is restricted to those competing for the first, second or third time, at an amateur level and in the raw classic or modern equipment division. Scoring for this division may be set by light/heavyweight and ranked by coefficient for the top five in each. Records will not be maintained for the crossfit division, however AM Raw Open records will be recognized if set by those entered in the this division. Breaking a world record will require next entry to be in general powerlifting.

No Membership Fee for participation or record eligibility.
