Revolution Powerlifting Syndicate Divisions

Amateur (AM): This is a drug-free division. Random drug tests may be performed. Any lifter under suspicion of drug use will be required to undergo a urinalysis test (performed by Quest Diagnostics: SPORTS I EXPANDED). If the test results are negative, the Meet Director will absorb the cost of the drug test. If the test results are positive, the lifter will be responsible for all expenses associated with the drug test, and their lifts for the competition will be disqualified. A lifter testing positive will be **permanently banned from lifting in the AM Division**.

Professional (Pro): Anyone who has totaled or has single lifts that qualify for Pro must enter this division, unless they wish to enter **Elite** (which requires a lifter paid urinalysis). Pro can be entered by everyone excluding teens regardless of their lift numbers. There is no drug testing in this division.

Elite: Those whose lifts qualify as **Pro** yet want to provide proof that they are not using any performance enhancements substances on the banned list (see www.revolutionpowerlifting.com). Elite lifts are only available in the **Open** division and will be scored in competition with the **Pro** division. If lifting Elite, it is the responsibility of the lifter to be available to provide a test sample and should request to do so at the completion of their lifting for the day. If the lifter pays for testing but does not provide sample and leaves the meet facility, there will be no refund and the lifter's results will be determined as Pro.

Police/Fire: This division is reserved for individuals who serve the community as Police Officers, Correction Officers or Firefighters, civilly employed or volunteer. The age divisions are limited to **Open** and **Master 50+**.

Armed Forces: This division is reserved for individuals who serve(d) their country in any branch of the armed forces. The age divisions are limited to **Open** and **Master 50+**.
